Members of the
American
Escrow Association

Dear Test Applicant,

I would like to take this opportunity to commend you on taking the important step to obtain your Professional Designation from the California Escrow Association. I am excited for you! You will find this to be a great step towards a secure professional future. Obtaining your designation will be challenging, rewarding and well worth the effort you put forth.

The Professional Designation Committee would like to invite you to take advantage of our *Professional Designation Mentor Program*. This program has been designed to help the test applicant prepare by assisting the applicant in various facets of the preparation work, from obtaining the necessary study materials, to advising of any prep classes being held in their area, and what to do if there is not a class available. We are here to answer your questions and encourage you. Most important, we are here to provide you with much needed moral support. We understand because we have been there and have done that.

If you choose to avail yourself of this program you will be assigned a Certified Senior Escrow Officer as a Mentor who can answer any questions and concerns and who can be readily accessible via phone or email.

If you would like to participate in this program, please email Colleen Graves at cgraves@ltic.com and Janeane Arildsen at jarildsen@pangogroup.com. We wish you the best in your endeavors, and truly hope we can assist you in reaching your professional goals!

With great enthusiasm, I remain

Yours sincerely,

Colleen Graves
